

CASH ON DELIVERY

Magento Extension User Guide

Official extension page: [Cash On Delivery](#)

Installation

1. Login into the backend and go to System >> Cache Management >> Enable All Cache Types.
2. Upload files from “Netgo_Cod-1.0.0” folder to the root folder of your Magento installation:
3. Go to System >> Cache Management in Magento backend, and click the “Flush Cache Storage” button.
4. Please log out from the backend and log in again for Magento to refresh permissions.
